THIS SOFTWARE LICENSE AGREEMENT sets forth the terms and conditions under which Bluespec grants to Licensee a license to use certain software as specifically identified in one or more separately executed License Order Schedules hereto (the "License Order Schedules"). This Agreement and any License Order Schedule or amendment hereto is subject to final review and acceptance at Bluespec's headquarters location. The effective date of this Agreement and any License Order Schedule will be the date of last execution. An authorized representative of the University must review and approve the license agreement.

**General Terms and Conditions**

**1. LICENSE GRANT**

1.1 Bluespec grants to Licensee a nonexclusive, nontransferable, limited license (without the right of sublicense) to use the software ordered on a License Order Schedule (the "Software") in accordance with the applicable Documentation ("Documentation"). Licensee may install and use the object code version of such Software and its Documentation only for its internal use, for teaching and research, at its own facilities in the number of copies and at the locations specified on the applicable License Order Schedule. The limited license granted hereunder includes the right to make copies solely for archival purposes. Any extension of Licensee's rights requires payment of additional fees in accordance with Bluespec's then current terms and fees.

1.2 For purposes of this Agreement, remote access to such Software through a Web-browser or local access via a portable or hand-held computing device by employees or contractors, will be deemed to be "internal use"; provided that (i) such use will be subject to the terms hereof and (ii) Licensee will be responsible for all claims and liabilities resulting from such use and for any breach of this Agreement by such users. Nothing in this Agreement permits Licensee to provide copies of Software to any third party for any purposes, including designing of FPGAs or semiconductor chips, administering the Software, or otherwise providing services to Licensee.

**2. LICENSEE OBLIGATIONS**

2.1 Except as set forth in Section 1, Licensee may not copy, modify, reverse engineer, decompile, disassemble or create derivative works based on the Software or Documentation, except as permitted by applicable law, and to the extent that Bluespec is not permitted by such law to exclude or limit such rights.

2.2 Licensee will indemnify and hold Bluespec and its affiliates and the directors, officers, employees and agents (including successors and assigns) of it and its affiliates ("Bluespec Indemnitees") harmless against any claim, suit, proceeding or other action by a third party against such person(s) arising out of or relating to (a) Licensee's failure to comply with its Confidentiality obligations in Section 4 of this Agreement, (b) Licensee's failure to comply with all local, Federal and international laws, treaties, rules, regulations, guidelines and codes of practice relating to usage of such software or (c) any accident, adverse event, illness, disability, death or other medical-related problem in any way arising out of or relating to, or alleged to arise out of or relate to any product derived from or based on materials in which Licensee used Software, except to the extent such claim, suit, proceeding, other action, accident, adverse event, illness, disability, death, or other medical-related problem was caused by a Bluespec Indemnitee's breach of this Agreement, a Bluespec Indemnitee's violation of an applicable law, or a Bluespec Indemnitee's negligent or intentional act or omission. In such event, Bluespec will give Licensee prompt written notice of any claim and Licensee will have sole control of the defense, settlement or compromise, except Licensee may not compromise or settle such claim without Bluespec's written consent (which consent will not be unreasonably

withheld or delayed) to the extent that there will be a finding or admission that the Bluespec Indemnitee violated applicable laws or the rights of any person, there will be an effect on any other claims that may be made against the Bluespec Indemnitee that are not indemnified hereunder, or there will be any other relief provided besides monetary damages paid in full by Licensee. Bluespec may elect to participate in any such action with an attorney of its own choice at its own expense.

2.3 Any use, duplication or disclosure by or to the US Government is subject to the terms of this Agreement and is furnished as unpublished, copyrighted, trade secret, proprietary data with Restricted Rights pursuant to FAR 52.227-19 Commercial Computer Software.

**3. PAYMENT**

All fees are due and payable within thirty (30) days from the date of Bluespec's applicable invoice. Fees identified on a License Order Schedule are exclusive of taxes or duties. Licensee agrees to pay any and all taxes and duties that may be imposed by any taxing authority in connection with the Agreement, excluding taxes based on Bluespec's income. Past due amounts are subject to a late charge equal to the lesser of 1-1/2% per month or the maximum amount allowed by law.

**4. TITLE: CONFIDENTIALITY**

The Software and Documentation and all intellectual property rights related thereto (the "Proprietary Information") constitute trade secrets and proprietary data of Bluespec and any third party ("Licensor") from whom Bluespec has received marketing, distribution or sublicensing rights, and nothing in this Agreement will be construed to convey any title or ownership rights to Licensee. Licensee will use best efforts to safeguard the confidentiality of the Proprietary Information, any other information marked as confidential by Bluespec or which relates to technical aspects of the Software (including without limitation benchmarking results). Licensee agrees to receive and hold in confidence and not disclose, except as explicitly allowed hereunder, the Proprietary Information to any third parties. Licensee may disclose Proprietary Information to consultants under contract with Licensee, provided all such consultants are bound to Licensee in writing by confidentiality terms no less restrictive than those of this Agreement. Licensee's confidentiality obligations will not apply to information that (i) is or becomes part of the public domain through no act or omission of Licensee, (ii) was in Licensee's lawful possession prior to the disclosure, (iii) is lawfully obtained from a third party without restriction on disclosure or (iv) is independently developed without use of Bluespec's confidential or Proprietary Information. Licensee will not allow the removal or modification of any proprietary notice made part of the Software or Documentation and must reproduce all proprietary rights notices on any copies of the Software and Documentation made pursuant to this Agreement. Licensee acknowledges that Bluespec and any Licensor will have the right to take all reasonable steps to protect their proprietary interests and will be entitled to seek injunctive relief and any other legal or equitable remedies. All enhancements, intellectual property rights and/or modifications to the Software or Documentation will also be owned by Bluespec or the

respective Licensor and will be subject to these provisions. Bluespec, with reasonable prior notice, will have the right to audit Licensee's compliance with this Agreement. Audits will be conducted no more than once annually.

#### 5. TERM

The term of each license will be specified in the applicable License Order Schedule. Except as may be otherwise specified in a License Order Schedule, each license will be automatically renewed for successive one-year terms (each, a "Renewal Term") at Bluespec's then-current educational institution pricing unless Licensee provides written notice to Bluespec at least thirty (30) days prior to the beginning of any Renewal Term that Licensee does not wish such license to be renewed.

#### 6. TERMINATION

The right to add License Order Schedules to this Agreement will remain in effect until terminated by either party upon 30 days' prior written notice. In addition to other termination rights granted herein, this Agreement may be terminated by either party upon written notice, provided the basis for such termination is a material failure by the other party to perform its obligations hereunder and such failure is not corrected within thirty (30) days from the date such notice is received. This Agreement may also be terminated for convenience by either party upon written notice if there are no License Order Schedules or licenses in effect at the time of termination. Upon termination, Licensee will promptly discontinue use of the Software and return all copies of the Software and related materials in its possession or control to Bluespec or certify to their destruction. The provisions of Sections 4, 11 and 12 will survive expiration or termination.

#### 7. UPGRADES AND LICENSEE SUPPORT

Provided Licensee is in compliance with this Agreement (including being current on all payments), Licensee will be entitled to receive Upgrades and Standard Licensee Support (as defined below) during the applicable license term in accordance with Bluespec's standard Licensee Support Services Policy. "Upgrades" include releases, modifications, refinements and updates to, and new versions of, the Software provided to Bluespec's general client base at no additional charge, but does not include Software marketed by Bluespec as a separate product or as a module for which additional fees are generally charged. "Standard Licensee Support" refers to the technical support services described in Bluespec's standard Licensee Support Services Policy. Licensee may order additional support and other services under this Agreement or a separate contract.

#### 8. LIMITED WARRANTY; DISCLAIMER OF ALL OTHER WARRANTIES

If at any time within the period ending ninety (90) days from the start of the license term specified in the applicable License Order Schedule, the Software delivered thereunder substantially fails to perform the functions described in the applicable Documentation, Licensee will promptly notify Bluespec in writing of such alleged nonconformance. To the extent such deficiency exists in a current unaltered release of the Software, Bluespec will, at its own cost and expense and within thirty (30) days of receipt of such written notification, either correct such deficiency or provide Licensee with a plan acceptable to Licensee for correcting the deficiency within a reasonable period of time. Should Bluespec fail to do either, Licensee may, as its sole remedy, upon giving Bluespec written notice within five (5) days of such failure terminate the license to the affected Software, return such Software and receive a refund of all license fees paid by Licensee for such Software pursuant to the applicable License Order Schedule during the 90-day warranty period and any ensuing period during which Bluespec is attempting to address the deficiency. Licensee must strictly comply with these time periods, or the limited warranty will be void. Bluespec makes no warranty that any Software will operate uninterrupted or be error-free. EXCEPT FOR THE EXPRESS WARRANTY IN SECTION 8, Bluespec MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

#### 9. INFRINGEMENT

Bluespec will indemnify, defend and hold Licensee harmless from any action brought against Licensee that is based on a claim that the Software, when used within the scope of this Agreement, infringes a United States patent, copyright, or trade secret. In such event, Licensee will give Bluespec prompt written notice of any claim and Bluespec will have sole control of the defense, settlement or compromise. Licensee may elect to participate in any such action with an attorney of its own choice at its own expense. Should any Software become, or in Bluespec's opinion is likely to become, the subject of a claim of infringement, Bluespec may at its option (i) procure for Licensee the right to continue using the Software, or (ii) replace or modify the Software to make it non-infringing, or (iii) terminate the license for the affected Software. Upon termination of the license, Bluespec will refund to Licensee, as Bluespec's sole liability and Licensee's sole remedy, all license fees paid by Licensee for the terminated license less an amount equal to one sixtieth of such license fees for each month or portion

thereof that has elapsed since the start of the license term of the applicable license. The foregoing states the entire liability of Bluespec with respect to any claim of infringement.

#### 10. IMPLEMENTATION AND ALTERATION

Licensee acknowledges and agrees that (i) failure to implement all corrections or Upgrades supplied by Bluespec or (ii) any attempts by Licensee to alter any Software without Bluespec's written direction or consent, will be at Licensee's sole risk and may render the Software unusable or nonconforming to the applicable Documentation. In no event will Bluespec have any obligation to support or maintain any altered Software or any Software for which Upgrades have not been applied within a reasonable period of time after their release by Bluespec. Bluespec will not be responsible or liable for warranty or infringement claims, Software errors or any nonconformance with the applicable Documentation if such claims arise out of or are related to (i) any alteration made by Licensee; (ii) Licensee's failure to implement any Upgrades within a reasonable period of time after their release by Bluespec or (iii) the use or combination of the Software with other items not provided by Bluespec.

#### 11. LIMITATION OF LIABILITY

EXCEPT WITH RESPECT TO BLUESPEC'S OBLIGATIONS UNDER SECTION 9, AND NOTWITHSTANDING THE FORM IN WHICH ANY LEGAL OR EQUITABLE ACTION MAY BE BROUGHT, BLUESPEC WILL IN NO EVENT BE LIABLE HEREUNDER FOR DAMAGES WHICH EXCEED THE AMOUNT OF THE LICENSE FEES PAID IN THE PREVIOUS TWELVE MONTHS BY LICENSEE FOR THE SOFTWARE (AND PURSUANT TO THE LICENSE ORDER SCHEDULE) WHICH GAVE RISE TO SUCH DAMAGES, OR IF NOT SOFTWARE RELATED, TO THE AMOUNT OF THE LICENSE FEES PAID UNDER THE APPLICABLE LICENSE ORDER SCHEDULE AND APPLICABLE TO THE ONE-YEAR PERIOD PRIOR TO AND INCLUDING THE DATE ON WHICH THE EVENT GIVING RISE TO SUCH DAMAGES OCCURRED. IN NO EVENT WILL Bluespec OR ANY LICENSOR BE LIABLE FOR CONSEQUENTIAL, INDIRECT OR EXEMPLARY DAMAGES (SUCH AS, BUT NOT LIMITED TO, MULTIPLE OR PUNITIVE DAMAGES), EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. The limitations, exclusions and disclaimers set forth in this Section 11 will not have the object or effect of limiting or excluding Bluespec's liability for death or personal injury caused by Bluespec.

#### 12. GENERAL

Licensee may not assign, sublicense or otherwise transfer its rights or obligations under this Agreement without Bluespec's prior written consent. A waiver of any breach(es) will not constitute a waiver of any future breach of a similar or different nature. If any provision of this Agreement is deemed illegal or unenforceable, that provision will be severed and the remainder of this Agreement will remain in full force and effect. The headings used in this Agreement are for convenience only and will not create any rights or obligations or affect the meaning or interpretation of this Agreement. This Agreement and all matters arising out of or relating to this Agreement will be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, U.S.A., excluding all choice of law provisions. All proceedings relating to or arising out of the subject matter hereof will be maintained exclusively in the courts situated in Boston, Massachusetts, U.S.A., and the parties hereby consent to personal jurisdiction and venue therein and hereby waive any right to object to personal jurisdiction or venue therein. Licensee acknowledges that the Software may be subject to export controls under applicable export control regulations, including without limitation, the U.S. Export Administration Regulations, and agrees to comply with any such regulations. This Agreement supersedes all other agreements, proposals, representations and other understandings regarding the Software, whether oral or written. The terms and conditions of any purchase order or other instrument issued by Licensee or its agent in connection with this Agreement that are in addition to or inconsistent with the terms and conditions of this Agreement are null and void and will not be binding on Bluespec. All notices permitted or required under this Agreement will be sent to the recipient party's address stated in this Agreement (as may be modified in writing) by certified mail, return receipt requested, or receipted overnight carrier. Alterations or modifications of this Agreement will be valid only if made in a writing signed by both parties. Bluespec and Licensee hereby acknowledge and agree that any provisions of any state law adopting exactly or in modified form the Uniform Computer Information Transactions Act ("UCITA") will not be applicable to this Agreement. Furthermore, both Bluespec and Licensee waive any and all rights arising from any such law.
